

## Drink Canada Dry

David Allan Coe

I just fell off the wagon  
I dropped out of AA  
Since you left I guess I haven't seen a sober day  
I'm back with all my old friends  
They saved a stool for me  
Just in case you want me back this is where I'll be  
I'm gonna live that Miller high life that's what I'm gonna do  
I will be there with my hand held up when they say this Bud's f  
or you  
I'm gonna win that Pabst Blue Ribbon well at least I'm gonna tr  
y  
To drink Canada dry before I die  
I'm hanging out with Jim Beam and Jack Daniels now and then  
There's no way Jose Cuervo you're gonna let me down again  
I love Strawberry Daiquiri she gets you off my mind  
But just in case you want me back I won't be hard to find  
I'm gonna live that Miller high life that's what I'm gonna do  
I will be there with my hand held up when they say this Bud's f  
or you  
I'm gonna win that Pabst Blue Ribbon well at least I'm gonna tr  
y  
To drink Canada dry before I die  
I'm gonna drink Canada dry before I die
