

Forever and Never

David Allan Coe

And I can't say I'll love you forever and ever
But darlin' I'm sure gonna try
Forever is only as long as you want it to be
There's nothing to stop me from loving you eternally
But others before you have shown me the way love can die
And too soon forever and ever turned into goodbye

So I won't tell you
That I'll never leave you
I won't make a promise
That just might turn into a lie
No I can't say I'll love you forever and ever
But darlin' I'm sure gonna try
