

# Lay My Money Down

David Allan Coe

I am a rollin Gambler  
A Gambler all around  
Whenever I see a game of chance  
I lay my money down boys  
Lay my money down boys  
Lay my money down

I gambled down in Shreveport  
Gambled down in Spain  
I won my first wife shootin dice  
But I lost her in a poker game

I am a rollin Gambler  
A Gambler all around  
Whenever I see a game of chance  
I lay my money down boys  
Lay my money down boys  
Lay my money down

I had to pawn my gold watch  
Pawned my diamond ring  
Sold my sould to the devil  
In a game in New Orleans

I am a rollin Gambler  
A Gambler all around  
Whenever I see a game of cards  
I lay my money down boys  
Lay my money down boys  
Lay my money down

I am a rollin Gambler  
A Gambler all around  
Whenever I see a game of chance  
I lay my money down boys  
Lay my money down boys  
Lay my money down

I gambled down in Shreveport  
Gambled down in Spain  
I won my first wife shootin dice  
But I lost her in a poker game

I am a rollin Gambler  
A Gambler all around  
Whenever I see a game of chance  
I lay my money down boys  
Lay my money down boys  
Lay my money down

I'm footloose and fancy free and I lay my money down
