Lay My Money Down

David Allan Coe

I am a rollin Gambler A Gambler all around Whenever I see a game of chance I lay my money down boys Lay my money down boys Lay my money down

I gambled down in Shreveport Gambled down in Spain I won my first wife shootin dice But I lost her in a poker game

I am a rollin Gambler A Gambler all around Whenever I see a game of chance I lay my money down boys Lay my money down boys Lay my money down

I had to pawn my gold watch Pawned my diamond ring Sold my sould to the devil In a game in New Orleans

I am a rollin Gambler A Gambler all around Whenever I see a game of cards I lay my money down boys Lay my money down boys Lay my money down

I am a rollin Gambler A Gambler all around Whenever I see a game of chance I lay my money down boys Lay my money down boys Lay my money down

I gambled down in Shreveport Gambled down in Spain I won my first wife shootin dice But I lost her in a poker game

I am a rollin Gambler A Gambler all around Whenever I see a game of chance I lay my money down boys Lay my money down boys Lay my money down

I'm footloose and fancy free and I lay my money down
