

Marijuanaville

David Allan Coe

Rollin' my home grown, Smokin' a big bong
Look at that Ganja covered with oil
Using my tweezers, Got pot in the freezer
Made a new pipe out of aluminium foil
Wasted away again in Marijuana Ville
Searching for my roach clip on a rope
(On a rope On a rope On a rope)
Some people Claim that there's a woman to blame
But I know, that it's all this damn dope
Don't know the reason, Satyed here all season
Maybe that Tye-stick was a way bit too strong
But I got a real beauty, A columbian doobie
And soon I'll be up on my way along
Wasted away again in Marijuana Ville
Searching for my roach clip on a rope
(On a rope On a rope On a rope)
Some people Claim that there's a woman to blame
But I know, that it's all this damn dope
I blew out my bong pipe, Ran out of budlight
But I found some stash I had hidden at home
Put it into a blender, And soon it will render
These little fudge brownies that help me get stoned

Wasted away again in Marijuana Ville
Searching for my roach clip on a rope
(On a rope On a rope On a rope)
Some people Claim that there's a woman to blame
But I know, that it's all this damn dope
Yes Some people Claim
(sing it like bob dyllon) I sound like Dyllon when I'm
stoned
But I know, that it's all this damn dope
