

# She Loved the Leavin' out of Me

David Allan Coe

I promised you I'd tell her it was over now  
That I found someone new  
And I just wanted to be free  
Then I tried to tell her I had broke our vows  
She said she did not think that I should leave

And then she loved the leavin' out of me  
She opened up my eyes so I could see  
She never even listened to my plea  
She just loved the leavin' out of me

I just came back to say that I can't leave her  
I never knew I loved her till I tried to walk away  
It's time to say goodbye now that it's over  
I've got to go back home this time to stay

Because she loved the leavin' out of me  
She opened up my eyes so I could see  
She never even listened to my plea  
She just loved the leavin' out of me

And then she loved the leavin' out of me  
She opened up my eyes so I could see  
She never even listened to my plea  
She just loved the leavin' out of me
