

Son Of A Rebel Son

David Allan Coe

I am the son of a rebel son
He was a son of a gun
I am the son of a rebel son
He was a son of a gun

I am the son of a rebel son
He was a son of a gun
I am the son of a rebel son
Son of a rebel son

My grandpa was a rebel back in '61
My daddy was the rebel son of a rebel son
My grandpa fought for freedom but he never won
Anything but medals from the War

They gave them to his wife one day
After they took his life away
What did the words on the tomb stone say
Here lies the rebel son

I am the son of a rebel son
He was a son of a gun
I am the son of a rebel son
Son of a rebel son

I am the son of a rebel son
He was a son of a gun
I am the son of a rebel son
Son of a rebel son

I said

I am the son of a rebel son
He was a son of a gun
I am the son of a rebel son
Son of a rebel son

Thank you
