

## The End

David Allan Coe

Yes and I've been out walking  
I don't do that much talking these days  
These days  
These days I like to think a lot  
About the things that I forgot to do  
Yes and all the times that I had the chance to

Yes and I had a lover  
I don't guess I'll risk another these days  
These days  
And if I seem to be afraid  
To live the kind of life I have made in song  
Well it's only 'cause I've been lonesome for so long

Yeah and I'll quit my dreaming  
I don't do too much scheming these days  
These days  
These days I like to think about  
How all these changes came about my way  
And I thank God I live to write down another heartbreak

Yes and I'll quit my rambling  
I don't do too much gambling these days  
These days  
These days I stand on cornerstones  
And count the time in quarter tones till ten  
Please don't confront me with my failures  
I have not forgotten them
