

Angels In The Alleyway

David Archuleta

Dancing in the alleyway,
Waiting for someone to say,
Come and dance with me
It rains a little everyday,
Keeps a smile on my face,
But I hurt inside...

I've gone crazy...
Please forgive me...
I've gone crazy,
I'm so sorry...

Pour my heart into the dust,
Step aside and watch it rust,
You don't need to bury me,
I've buried myself...

I've gone crazy...
Please forgive me...
I've gone crazy,
I'm so sorry...

Then a voice above the rest,
Calls my name so gracefully,
And as I heard, it said,
The hole is filled in the.

Angels in the alleyway
Lift me up and said,
Follow me my son I'll show you the way

Angels in the alleyway...
The angels in the alleyway, they're always listening,

Angels in the alleyway...
