

# Dulce Amor

David Archuleta

You're my favorite place  
El Pescador  
End of day  
Been two weeks  
And nothing tastes  
The same  
You're my favorite record  
Joni Mitchell Blue  
Wish I had a river  
Had a case of you

I was bitter  
'Til you came around  
Like a sinner  
Let you take me down  
Down, down, down  
Oh, I need you now

You make life sweet  
Make it complete  
We got that Dulce amor  
I just want more  
Of you every night  
That good sugar high  
Give me that  
Dulce amor  
And I just want more

So call off work  
I'll cancel my show  
It's golden now  
Wherever we go

Your hands in my hair  
Barely make it upstairs  
If we don't leave this bed  
All year I wouldn't care

You make life sweet  
Make it complete  
We got that Dulce amor  
I just want more  
Of you every night  
That good sugar high  
Give me that  
Dulce amor  
And I just want more

I was bitter  
Like a sinner

(Ahh, ahh)

You make life sweet  
Make it complete  
We got that Dulce amor  
I just want more

Of you every night  
That good sugar high  
Give me that  
Dulce amor  
And I just want more
