

Fighting for you

David Archuleta

You will feel the weight
Of the world
Raining down on your shoulders
You wanna run
To the shadows you know
I'm gonna bring
You the light
At the end of the tunnel
If you only let me
If you could only let me

We've disagreed
On the terms
And the road that we're taking
That doesn't mean
That we can't work it through
I know we can
I know we can
I'm on your side
So understand

You might be right
The walls are high
The sky is higher
And, yes, I know
The pain is strong
But love is stronger
Can't you see
That no matter what
I'm gonna be
(I will always be)
Fighting for you

Ooooooooooh

Talk to me now
Open up
We can pick up the pieces
I'm not about
To let you fall through
I know too well
How you are
Why you think what you're thinking
I'm not gonna fade
No, I'm not going away

You might be right
The walls are high
The sky is higher
And, yes, I know
The pain is strong
But love is stronger
Can't you see
That no matter what
I'm gonna be
Fighting for you

With everything I have
Fighting for you
And I'm not holding back
Everything is on the line
And I'm willing to try

You might be right
The walls are high
The sky is higher
And yes, I know
The pain is strong
But love is stronger
Can't you see
That no matter what
I'm gonna be

You might be right
The walls are high
The sky is higher
And yes, I know
The pain is strong
But love is stronger
Can't you see
(Can't you see)
That no matter what
(No matter what)
I'm gonna be
(I'm gonna be)
Fighting for you

I'm gonna be
Fighting for you

I'll always be
Fighting for you
