

Stand By Me

David Archuleta

When the night, has come
And the land is dark
And the moon is the only light we'll see
No I won't be afraid
No I, won't be afraid
Just as long, as you stand
Stand by me

So darling, darling
Stand by me
Oh, stand, stand by me
Won't you stand
Stand by me

So darling, darling
Whenever you need a friend
Whenever you feel alone
Oh, stand by me

And all you beautiful girls
Oh, stand by me
Won't you stand, by me, yeah
