

Upset with Me

David Archuleta

Maybe someday
You'd take the chance to listen to me
And then you'd know
That I still love you
I'm sorry for the way
We might have behaved
It leaves you up and down
I fell to the ground
Had to escape

I know you're upset with me
But you can't keep hurting me

If you disagree
With every word I speak
I told you what I feel
You say it's not real
So I'm leaving

I know you're upset with me
But you can't keep hurting me

If I'm not enough
To show you who I am
After all I've done
Then it's too tough
For you to understand
I'm taking back what's mine
We both sacrificed
Gave everything we had
But I don't have
To give you my light

I know you're upset with me
But you can't keep hurting me

I'm sorry if I've done anything
That makes you feel that I hurt you
I'm not sure what I'm running to
For now it's something I needed to do
I need to keep me safe from you
You still can't see
Why can't you see?

Painted eyes reaching for the sky
As we reach the moon
Busting clouds, oh, you scream so loud
So I hide from you
I never said a word to you
So I hide the truth
What did I do?
What did I do?

If there is someone
Who needs to know
Protect yourself
And find the help

To let you go
You can let yourself be heard
