

# We Can Work It Out

David Archuleta

Try to see it my way  
Do I have to keep on talking  
'Til I can't go on?  
Why see it your way?  
Run the risk of knowing  
Our love may soon be gone

We can work it out  
We can work it out

Think of what you're saying  
You can get it wrong  
And still think that it's alright  
Think of what I'm saying  
We can work it out  
And get it straight  
Or say good night

We can work it out  
We can work it out

Life is very short  
And there's no time  
For fussing and fighting my friends  
Mhmm  
I, I've always thought  
That it's a crime  
So I will ask you once again, oh

Try to see it my way  
Only time will tell  
If I am right  
Or I am wrong  
Why see it your way?  
There's a chance we might fall apart  
Before too long

We can work it out  
We can work it out, yeah  
Ooo, we can work it out  
Oh, yeah, yeah  
Mhmmmm, oh

Try to see it my way  
Only time will tell  
If I am right  
Or I am wrong  
Why see it your way  
There's a chance  
That we might fall apart  
Before too long

We can work it out  
We can work it out, yeah

Think of what you're saying  
You can get it wrong

And still you think  
That it's alright  
Think of what I'm saying  
We can work it out  
Get it straight  
Or say good night

We can work it out  
We can work it out  
We can work it out  
We can work it out
