

# What A Wonderful Way To End A Crazy Year

David Archuleta

I know it's been a crazy year  
Uncertainties and fears  
What a time to be living  
(Ah-ah-ah-ah-ah)  
Nothing's really gone our way  
Had a share of stressful days  
But here we are living

Can't rewind the time back  
But look at all that we have

Snowy windows keep out the world tonight  
While we're cosied up by the fire inside  
Stockings on the railings  
And it's feeling like Christmas here  
There's a record of Nat King Cole on repeat  
And memories decorating our tree  
Being here with you  
What a wonderful way to end a crazy year

I'm awake until the new year  
Resolutions starting over  
And hoping  
All the world's problems disappear

But till it happens  
Let's look at all we have when

Snowy windows keep out the world tonight  
While we're cosied up by the fire inside  
Stockings on the railings  
And it's feeling like Christmas here  
There's a record of Nat King Cole on repeat  
And memories decorating our tree  
Being here with you  
What a wonderful way to end a crazy year

Way to end a crazy year

Snowy windows keep out the world tonight  
While we're cosied up by the fire inside  
Stockings on the railings  
And it's feeling like Christmas here  
(Feeling like Christmas here)  
There's a record of Nat King Cole on repeat  
And memories decorating our tree  
Being here with you  
What a wonderful way to end a crazy year
