

## You Are My Song

David Archuleta

You are the song  
Playing so softly in my heart  
I reach for you  
You seem so near and yet so far  
I hope and I pray  
You'll be with me someday  
I know down inside  
You are mine and I'm your true love  
Or am I dreaming

How can I  
Each time I try to say goodbye  
You were there  
You looked my way, I touched the sky  
We can share tomorrow and forevermore  
I'll be there to love you so  
You are my song

I know for sure  
That we were meant to fall in love  
I look in your eyes  
I know what you're thinkin' of  
I try not to say  
The words that might scare you away  
I know down inside  
You are mine and I'm your true love  
Please, no more dreaming

How can I  
Each time I try you say goodbye  
You were there  
You looked my way, I touched the sky  
We can share tomorrow and forevermore  
I'll be there  
To love you so  
You are my song  
You are my song

We can share tomorrow and forevermore  
I'll be there  
To love you so  
You are my song  
You are my song  
You are my song
