

You Can

David Archuleta

Take me where I've never been
Help me on my feet again
Show me that good things come
To those who wait

Tell me I'm not on my own
Tell me I won't be alone
Tell me what I'm feeling isn't some mistake
'Cause if anyone can make me fall in love, you can

Save me from myself, you can
And it's you and no one else
If I could wish upon tomorrow
Tonight would never end

If you asked me, I would follow
But for now I'll just pretend
'Cause if anyone can make me fall in love, you can

Baby, when you look at me
Tell me what do you see?
Are these the eyes of someone
You could love?

'Cause everything that brought me here
Well, not it all seems so clear
Baby, you're the one that I've been dreaming of
If anyone can make me fall in love, you can

Save me from myself, you can
And it's you and no one else
If I could wish upon tomorrow
Tonight would never end

If you asked me I would follow
But for now I'll just pretend
'Cause if anyone can make me fall in love

Only you can take me sailing in your deepest eyes
Bring me to my knees and make me cry
And no one's ever done this
Everything was just a lie and I know, yes, I know

This is where it all begins
So tell me it will never end
I can't fool myself
It's you and no one else

If I could wish upon tomorrow
Tonight would never end
If you asked me I would follow
But for now I'll just pretend
If anyone can make me fall in love, you can

Show me that good things come
To those who wait
