You Worry

David Archuleta

Sitting in rooms talking 'bout me
Spending my money on a little therapy
Sometimes you do what you gotta do
Sometimes you win even when you lose

Not saying I'm perfect I make mistakes
I don't always know which door to take
Might take me longer than it does for you
But everybody loves the scenic route

I hear voices, telling me that I could do better
I'll make my chances 'cause I wanna do it my way

I've known me for as long as I remember
I can say
Living life in a bubble
Still comes with its troubles
I've still got a lot, a lot to learn about me
That's okay
You know that I got my reasons
Why I am the way I am
So don't you worry 'bout me

Don't you worry 'bout me
Don't you worry 'bout me

So many times I'm questioning my sanity
'Cause everybody's always tellin' me
Thinking that they know what it is I need
They all got the piece that makes me complete

I hear voices, telling me that I could do better
I'll make my chances 'cause I wanna do it my way

I've known me for as long as I remember
I can say
Living life in a bubble
Still comes with its troubles
I've still got a lot, a lot to learn about me
That's okay
You know that I got my reasons
Why I am the way I am
So don't you worry 'bout me

Don't you worry 'bout me
Don't you worry 'bout me

All I know, all I know, all I know
Is that I gotta do what my heart needs to
And I know, and I know, and I know
I'm headin' where I need to go

I've known me for as long as I remember
I can say
Living life in a bubble
Still comes with its troubles
I've still got a lot, a lot to learn about me

That's okay
You know that I got my reasons
Why I am the way I am
So don't you worry 'bout me

Don't you worry 'bout me
Don't you worry 'bout me
