

# Message In A Bottle

David Ball

Sitting by myself  
In this deserted bar  
I don't know where I am  
I don't know where you are  
Without a warning sign  
The heavy storm appears  
And I was blown away  
And then I washed up here

I found a message in a bottle  
As it lay empty, it was plain to see  
I found a message in a bottle  
It said I'll never drown your memory

My hand's around the glass  
I tried to ease the pain  
I just can't let you go  
This time it's all in vain  
Thought I could lose myself  
Out on a whiskey scene  
Just drift away  
From your memory

I found a message in a bottle  
As it lay empty, it was plain to see  
I found a message in a bottle  
It said I'll never drown your memory

I found a message in a bottle  
As it lay empty, it was plain to see  
I found a message in a bottle  
It said I'll never drown your memory
