So Long

David Ball

If you believe what I believe is true
This won't be the last time I'll be seeing you
Where the road may wonder heaven knows
Until we meet again it's adios

So long, let's not say goodbye
Just say so long for a little while
One day we will meet again
Just say so long until then so long

Think of all the good times that we've had
As we go our separate ways don't be sad
The curtains falls the lights begin to fade
Take a bow as the last song plays

So long, let's not say goodbye
Just say so long for a little while
One day we will meet again
Just say so long until then so long

So long, let's not say goodbye
Just say so long for a little while
One day we will meet again
Just say so long until then so long

If you believe what I believe is true
This won't be the last time I'll be seeing you
