Dodo

David Bowie

Now we can talk in confidence
Did you guess that we've been done wrong
Lies jumped the queue to be first in line
Such a shameless design

He thinks he's well screened from the man at the top
It's a shame that his children disagree
They cooly decide to sell him down the line
Daddy's brainwashing time

He's a dodo, no no didn't hear it from me
He's a dodo, no no didn't hear it from me

She's quite enthralled with the childhood of yore
When a unit was a figure not a she

When lovers chose each other now the perk's are due
Another memo to screw

She's a dodo, no no didn't hear it from me
She's a dodo, no no didn't hear it from me

Can you wipe your nose my child without them slotting in your f
ile a photograph
Can you sleep alone at night wake to find the scorching light o
f neighbour jim
He's come to turn you in

Another dodo, no no, didn't hear it from me
Another dodo, no no, didn't hear it from me
Another do, do
Didn't hear it from me
