1-2-2

Shiruetto ya kage ga

Kakumei o miteiru

Mo tengoku no giyu no kaidan wa nai

Silhouettes and shadows watch the revolution

No more free steps to heaven

It's no game

Ore genjitsu kara shime dasare

Nani ga okkote irunoka wakara nai

Doko ni kyokun wa arunoka

Hitobito wa yubi o orareteiru

Konna dokusaisha ni iyashime rareru nowa kanashii

I am bored from the event

I really don't understand the situation

But it's no game

Documentaries on refugees

Couples 'gainst the target

You throw a rock against the road

And it breaks into pieces

Draw the blinds on yesterday, and it's all so much scarier

Put a bullet in my brain, and it makes all the papers

Nammin no kiroku eiga

Hyoteki o se ni shita koibito tachi

Michi ni ishi o nage reba

Kona gona ni kudake

Kino ni huta o sureba

Kyohu wa masu

Ore no atama ni tama o buchi kome ba

Shinbun wa kaki tateru

There's always tomorrow when people have their fingers broken

To be insulted by these fascists - it's so degrading

And it's no game

Shutup! shutu...
