

# Underground

David Bowie

No one can blame you for walking away  
Too much rejection  
No love injection  
Life can be easy

It's not always swell  
Don't tell me truth hurts, little girl  
'Cause it hurts like hell  
But down in the underground

You'll find someone true  
Down in the underground  
A land serene  
A crystal moon, ah, ah

It's only forever  
Not long at all  
Lost and lonely  
That's underground  
Underground

Daddy, daddy, get me out of here  
Ha ha, I'm underground  
Heard about a place today  
Nothing never hurts again

Daddy, daddy, get me out of here  
Ah ha I'm underground  
Sister sister, please take me down  
Ah ah I'm underground  
Daddy, daddy, get me out of here

No one can blame you for walking away  
Too much rejection  
No love injection  
But down in the underground

You'll find someone true  
Down in the underground  
A land serene  
A crystal moon, ah, ah

It's only  
It's only forever  
It's not long at all  
The lost and the lonely  
That's underground

Underground  
Daddy, daddy, get me out of here  
Heard about a place today  
Nothing never hurts again

Daddy, daddy, get me out of here  
Ha ha, I'm underground  
Sister, sister, please take me down  
Ah ha I'm underground

Daddy, daddy, get me out

Wanna live underground

Daddy, daddy, get me out of here
