Don't Be Like That

David Byrne

Don't be like that
Don't be so mean
And don't say those things
Don't laugh at me

Don't wear those clothes
Don't walk that way
Don't make that face
Don't call my name

Don't smell so nice
Don't stand so close
Don't dance like that
On tippy toes

And don't say that word
Don't play that game
Don't start to cry
Don't change your ways

Don't say you do
When you mean you don't
Don't say you will
When you know you won't

Don't say it's good
Don't say it's fine
Don't break my heart
Don't change your mind

Don't run so fast
Don't ever stop
Every word you say
Don't make shit up

Don't say you do
When you mean you don't
Don't say you will
When you know you won't
Don't stand so still
Don't be so nice
Don't take so long
This is my life

Don't say you do
When you mean you don't
Don't say you will
When you know you won't
Don't stand so still
Don't be so nice
Don't take so long
This is my life
