

# Could It Be Forever

David Cassidy

Could it be forever or  
Is my mind just rambling on  
Well, I touched you once  
And I kissed you once  
And I feel like you're mine

Well I feel like you're mine  
And I see in your face  
I'm not wrong to have these feelings  
Well, I feel like you're mine  
Never known a time before  
That's had so many meanings

Could it be forever or  
Am I just wasting time  
Well, I don't think so  
Cause you let me know  
You make me feel like you're mine

Well I feel like you're mine  
And I can't remember when  
The feelings have been stronger  
And all I know is I can't let go

I wanna be with you  
I wanna be with you  
Just a little while longer

All my feelings come together  
All of me is here  
Never known when I felt better  
Cause I know this won't disappear

But could it be forever  
Or is my mind just rambling on  
Maybe it is, if it is  
Then I'll be moving on

Well, I feel like you're mine  
And I see in your face  
I'm not wrong to have these feelings  
Well, I feel like you're mine  
I've never known a time before  
That's had so many meanings

Feel like you're mine  
Feel like you're mine  
Could it be forever  
Feel like you're mine  
Feel like you're mine  
Could it be forever

All I know is I want you so  
Could it be forever  
Feel like you're mine  
Feel like you're mine  
Could it be forever...
