

Fix Of Your Love

David Cassidy

Come on!

Well, I've been lately possessed, actin' kinda strange
Folks don't come around, they say that boy must be deranged
Now I got to find a way somehow to get me some relief
And I don't need no doctor 'cause I know what's ailin' me.

I need you, babe
I need a fix of your love, yes I do
I said ooh babe, I need a fix of your love
I need a fix of your love, I need a fix of your love, babe.

Well, I'm hoverin' 'neath the blankets, got my head between my
knees
Just shiverin' and a-tremblin' trying to shake these DT's
Well like it's hands cold and icy, runnin' up and down my spine
But I figured out precisely what's gonna cure these ill's of mine.

I need you, babe
I need a fix of your love, yes I do
I said ooh babe, need a fix of your love
Need a fix of your love, need a fix of your love babe, yes I do
.

Can't you see you got your hooks in me?
And you're never gonna let me be, never gonna let me go?

I need you, babe
I need a fix of your love, yes I do, ooh yeah
I said ooh babe, I need a fix of your love, yes I do
I said mmm babe, need a fix of your love, need a fix of your love
ve
Need a fix of your love, babe
I need you, babe
Need a fix of your love, need a fix of your love
Need a fix of your love, babe
