

Get It Up For Love

David Cassidy

It's a tricky situation
Hard to say just what the outcome will be
If you solve the riddle you can save your soul
Or chase love's shadows till the rivers run cold

But hey babe
Get it up, get it up for love
Get it up, get it up for love
Get it up, get it up for love
Woo hoo...

There's a longing in the people
No one knows just what the outcome will be
You can flee in terror, you can stay and fight
You can stand in line and scream it's just not right, but

Hey baby
Get it up, get it up for love
Get it up, get it up for love
Get it up, get it up for love
Woo hoo...

Soul for a smile, another falling star shatters by the wayside
Till love you find just what you had in mind

It's a tricky situation
No one knows just where the heartaches will cease
If it takes forever, I got time to burn babe
I won't desert ya when the table's turned babe

Hey Babe
Get it up, get it up for love
Get it up, get it up for love
Get it up, get it up for love

Yes, I said hey babe
Get it up, get it up for love
Get it up, get it up for love
Get it up, get it up for love
Oh, I said hey baby
Get it up, get it up for love
Get it up, get it up for love
Get it up, get it up for love
Ooh, mama, mama, mama, mama..
Yes, I said hey baby..
Get it up, get it up for love
Get it up, get it up for love
Get it up, get it up for love
