

January

David Cassidy

January
Sick and tired, you been hangin' on me
You make me sad with your eyes,
You're telling me lies
Don't go, don't go

January
Don't be cold, don't be angry with me
You made me sad don't ya see,
Oh January
Don't go, don't go

Life gets me higher
I can go, I can show, I can wake up the world

Sweet world
Gotta show you, gotta know you
Sun, like fire
Carry on don't be long
Bring me out of my home, sweet home
Give me strength in my heart
Gotta show me, gotta know me
Give me peace in the world
Give me strength in the world
