

Lonely Too Long

David Cassidy

As I look back
I can see me lost and searching
Now I found that I can choose, I'm free
(Oh, yeah)
It's so funny I just have to laugh
All my troubles been cut in half

I've been lonely too long
I've been lonely too long
In the past days comin' down
Feel like I can't go on without you
I've been lonely too long
I've been lonely too long

To see me now
Makes it worth the time I've waited
Sure is all I need to make me see
(Oh, yeah)
No wonder I could die
Feel like I'm 'bout ten miles high

I've been lonely too long
I've been lonely too long
In the past days comin' down
Feel like I can't go on without you
I've been lonely too long
I've been lonely too long
