

Mae

David Cassidy

Mae, what a woman you are
Soft and tender, pure as the driven snow
Put your lovin' arms around me and never let me go
Oh, Mae, I need you now like I never did before.

Warm and tender, warm and tender
Warm and tender to me.

Mae, what a good time you are
Always willin', never say no to me
Put your lovin' arms around me and never let me go
Oh, Mae, I need you now like I never did before.

Warm and tender, warm and tender
Warm and tender love, alright.

Warm and tender, warm and tender
Warm and tender Mae.

You know, I need you Mae
I need you, I need you Mae
I need you, I need you Mae
I need you Mae
Alright, good God, you know, I need, I need, I need, I need.
