

One Night Stand

David Cassidy

Every night a different town, I sing my song
I play and sing, then pack my things and move along
A pretty face, another face I never get to know
A one night stand, another show

My guitar, a railroad car, a bus again
A chocolate bar, and there you are, the price of fame
If I could do what I want to, I'd stay and never go
A one night stand is all I know

I wish that I could be two people
Instead of being on my own
I wish that I could be two people
And then I'd never be alone

Photographs of where I've been and all I've done
In this whole world is there a girl, no not one
Goodbye, hello, I've got to go, I hope you'll understand
A one night man is all I am
A one night stand, a one night man

Goodbye, hello, I've got to go, I hope you'll understand
A one night man is all I am
A one night stand, a one night man
