

Raindrops

David Cassidy

Raindrops
So many raindrops
It feels like raindrops
Falling from my eyes
Falling from my eyes

Since my love has left me
I'm so all alone
I would bring her back to me
But I don't know where she's gone
I don't know where she's gone

There must be a cloud in my head
Rain keeps falling from my eyes
Oh no it can't be teardrops
For a man ain't supposed to cry

So it must be raindrops
So many raindrops
It feels like raindrops
Falling from my eyes
Falling from my eyes

Raindrops Raindrops
Raindrops Raindrops Raindrops
It must be the rain falling down from the sky
How can so many tears
Fall from my eyes

Oh there must be a cloud in my head
Rain keeps falling from my eyes
Oh no it can't be teardrops
For a man ain't supposed to cry

So it must be raindrops
So many raindrops
It feels like raindrops
Falling from my eyes
Falling from my eyes
It keeps on falling
Falling from my eyes
