

## Song For A Rainy Day

David Cassidy

It's sad to say it  
But I think love's gonna end  
Once we were lovers  
And now we're not even friends

It was good to have you  
Near me for a while  
But we made each other happy  
And we made each other smile

The worst part is the knowing  
That my castle in the sky  
Fell apart and it's too late  
To build it up  
Too late to try  
You took every dream I planned on  
Every dream that tried to stay  
Seems I always think about you  
Most of all on a rainy day

Just hold you one more time  
So I can close my eyes  
Remembering how you feel  
Before we say goodbye

It was good to have you  
Near me for a while  
But we made each other happy  
And we made each other smile

The worst part is the knowing  
That my castle in the sky  
Fell apart and it's too late  
To build it up  
Too late to try  
You took every dream I planned on  
Every dream that tried to stay  
Seems I always think about you  
Most of all on a rainy day

The worst part is the knowing  
That my castle in the sky  
Fell apart and it's too late  
To build it up  
Too late to try  
You took every dream I planned on  
Every dream that tried to stay  
Seems I always think about you  
Most of all on a rainy day
