

# You Are the First One

David Cassidy

I was drifting  
thinking I'd never know the feel of love  
drifting  
being my only friend was not enough  
I was falling  
for everything, but not enough  
Mmm... falling, from all the things that I have lost  
you were the first one  
you were the first one  
you were the first one  
that I'd ever. ever thought of loving  
I was slipping  
slowly past the point of ever caring

slipping  
down and around and everywhere  
I was hoping there'd be a change in the wind  
Mmm... hoping that you could be more  
than a friend  
you were the first one  
you were the first one  
you were the first one that I ever  
ever thought of loving  
you are the first one  
you are the first one  
you were the first one that I've ever  
ever thought of loving
