

Always Hurt

David Choi

Feeling kind of scared
'Cause I'm falling in love with you
But, you don't care
'Cause you don't know how I feel
I don't wanna give my heart to someone new
I've been there before and it's my how she told me to...

Can somebody please stop me from falling for this girl
I don't wanna have to go through love again
'Cause it always hurts

It's hard to look away
When you say the things that you say
I tried to be so cold
But you melt the chill away
I don't wanna give my heart to you
'Cause I'm afraid of what will happen
And the things that you'll do
oh

Can somebody please stop me from falling for this girl
I don't wanna have to go through love again
'Cause it always hurts
It always hurts

Can somebody please stop me from falling for this girl
I don't wanna have to go through love again
'Cause it always hurts

I'm fighting oh so hard
To keep the feeling inside
But I don't think I can (can)
I wanna hold hand (hand)
This man is afraid of the outcome
Yeah

Can somebody please stop me from falling for this girl (falling for t
his girl)
I wanna have to go through love again
'Cause it always hurts
It always hurts

Can somebody please stop me from falling for this girl
I don't wanna have to go through love again
'Cause I always end up...
Always getting...
Hurt.
