

# Can't Take This Away

David Choi

I wake up early get my coffee  
My newspaper at the door  
I feel great, and my mind is in a good place  
There's nothing that can make me feel any other way

I feel good today  
You can't take this away  
No you can't take this away [x2]

I got my girl, my lemonade  
Acai bowl, and a little bit chocolate ain't so bad  
Let's take a stroll outside  
And grab avocados off the branch

[Chorus]

I'm feeling oh so blessed  
I said goodbye to stress  
Nothings gonna bring me down  
You know I made a choice  
And I'm gonna make some noise  
Nothings gonna bring me down

[Chorus]
