

How Long

David Choi

How long will I feel this way?
I just don't know what to say,
Time is moving way too fast,
And I just feel really weird.

Guess a chapter of my life is closed,
Next level of the game is exposed,

How long will I feel this way?
Something in me just drifted away.
And I'm just confused,
But this journey is still on the move.

And I just want to fly away,
With nothing on my mind,
And I just want to lose myself,
And let my mind rewind.

Today's the day,
Tomorrow's another new day,
Don't got no yesterday,
Week's coming through so move out of the way.

I hope it doesn't last,
I feel so nervous,
Tired,
Out of contrast.

How long will I feel like this?
Something in me just drifted away.
And I'm just confused,
But this journey is still on the move.

And I just want to fly away,
With nothing on my mind,
And I just want to lose myself,
And let my mind rewind.

(And I just want to fly away, and I just want to fly away.)
(And I just want to lose myself, want to lose myself.)

And I just want to fly away,
With nothing on my mind,
And I just want to lose myself,
And let my mind rewind.

And I just want to fly away,
With nothing on my mind,
And I just want to lose myself,
And let my mind rewind.
