

## My Time With You

David Choi

We're going to the beach today  
We're gonna laugh and sing our cares away  
The sun is shining on our face  
We can take in, and let it out, and say

La la la la la la la  
La la la la la la la

I do enjoy my time with you  
Making the best of everything we do  
We're gonna try on something new  
And we'll make it ours before the day is through

La la la la la la la  
La la la la la la la

And now the sun has said goodnight  
Just want to say I had a real good time  
I think I really feel alright  
Alright  
And I don't ever, ever, wanna say goodbye

La la la la la la la  
La la la la la la la
