We're Supposed to Be Happy

David Choi

Please let’s not fight again like this
I wish that I could understand you girl
How are we ending up like this?
It happens all the time

Sometimes I know I’m like a dog
Don’t know if I’m right or wrong
I might bark some stupid things
While not knowing what it means

And it pushes us apart
And I love the way you are
Why does this happen

We’re supposed to be happy, happy, happy
But why aren’t we?
We’re supposed to be happy, happy
We’re supposed to be happy
But why aren’t we?

Thoughts come up time and time again
So afraid to lose my best friend
Cuz you are everything I’ve got
Why does it have to be so hard?

I’ve got to make it work this time
I will never stop trying
Cause you’re mine
