

# Where Did It Go Wrong

David Choi

Droplets to waterfalls  
Sitting on the mountain top  
Dreams that drifted apart were melting away  
Nothing left to say  
C'est la vie come what may  
All there's left is one served on a paper plate  
Where did it go wrong  
Where did it go wrong  
I wish I could say  
It'll all be okay  
But not today.  
Tell me Peter Pan  
How far is Never Land?  
I'm trying to understand  
Why it's fading to grey  
Green leaves went burning red  
How about Wonder Land, instead?  
Alice, can you lead the way?  
Where did it go wrong  
Where did it go wrong  
I wish I could say  
It'll all be okay  
But not today.  
Lost in the woods  
Getting off track and good  
Right now it hurts  
Just look away if you could  
This time is deep  
Just let me be.  
Let me be.  
Where did it go wrong  
Where did it go wrong  
I wish I could say  
It'll all be okay  
But not today
