

You and Me

David Choi

Why you gotta be so far away from me
Over here is where you should be
All I can do is wait for a change
But I wonder if you'll even come to this place

Everybody's lucky where you are
I hope you can hear me over there
Playing this guitar

In times like this
I wish I had some wings
But I've got some dreams
If that means anything

In times like this
When we laugh or when we speak
Oh I can't believe
That it shouldn't be
You and me

I been trying to keep my mind off of you
But is it the right thing to do
Should I keep believing
Should I keep dreaming that you and I will be together some day

Everybody's lucky where you are
I hope you can hear me over there
Playing this guitar

In times like this
I wish I had some wings
But I've got some dreams
If that means anything

In times like this
When we laugh or when we speak
Oh I can't believe
That it shouldn't be
You and me

Darlin' if I just close my eyes
All I see is you by my side
No matter the distance
You'll always be on my mind

In times like this
I wish I had some wings
But I've got some dreams
If that means anything

In times like this
When we laugh or when we speak
Oh I can't believe
I can't believe
I can't believe
That it shouldn't be
You and me
