

## 4 Letter Word

David Cook

Hold your tongue,  
Hold it tight,  
Or we'll be destined to fall, Like the sun did tonight,  
Leave it out, coz it might,  
Take the both of us down Before we get it right,

Oh I know just what you're thinking,  
But if we ever let it go,

I see us slipping away,  
Starting to fade,  
Crumbling down till we both hit the ground,  
You know if we never say,  
We'll never crash and burn,  
Coz love is a 4 letter word

Looking back, now I see,  
Seeing just how it feels to cause such misery,  
All I want is to keep this moment alive,  
Featuring you and me.

And I know just what you're thinking,  
But if we ever let it go,

I see us slipping away,  
Starting to fade,  
Crumbling down till we both hit the ground,  
You know if we never say,  
We'll never crash and burn,  
Coz love is a 4 letter word.

I am afraid of losing all that we had now,  
A four letter word,  
It could all get ruined if it's ever said out loud,

Slipping away,  
Starting to fade,  
Crumbling down till we both hit the ground,  
You know if we never say,  
We'll never crash and burn,  
Coz love is a 4 letter word.

I see us slipping away,  
Starting to fade,  
Crumbling down till we both hit the ground,  
You know if we never say,  
We'll never crash and burn,  
Coz love is a 4 letter word.  
Coz love is a 4 letter word.
