

# Champion

David Cook

Mud is running down my face  
But all I'm feeling is the seconds race  
So turn it up, let the earth quake  
'Cause I'm never gonna give up

Staring down the finish line  
I can see the lights breathe fire  
I'm gonna make it to the other side  
'Cause I'm always gonna

I'm always gonna shout it out 'til you hear it  
You're never gonna hold me down off the ceiling  
I'm up off the ground 'cause my time is now, can you feel it?  
I'm always gonna shout it out 'til you hear it  
Yeah, I'm the champion

Put my boots into the ground  
Strong against the fury and the sound  
Standing tall, there ain't no falling now  
'Cause I'm always gonna

I'm always gonna shout it out 'til you hear it  
You're never gonna hold me down off the ceiling  
I'm up off the ground 'cause my time is now, can you feel it?  
I'm always gonna shout it out 'til you hear it  
Yeah, I'm the champion

I'm always gonna shout it out 'til you hear it  
You're never gonna hold me down off the ceiling  
I'm up off the ground 'cause my time is now, can you feel it?  
I'm always gonna shout it out 'til you hear it  
Yeah, I'm the champion  
Yeah, I'm the champion
