

Ghost Magnetic

David Cook

Losing light, and closer than I've ever been
To paralyzed and covered in your fingerprints
Pulses beating right in time
Motion for a silent night
Holding tight, closer than I've ever been

I can't escape
I'm living with the ghost magnetic
Yeah all that I can hear them say
Is I'm the whisper of a dead aesthetic
Yeah all I need to take me home
Is somebody that could save my soul
But I never seem to find my way
From living with the ghost magnetic

I'm baptized every time you say to me
To close my eyes; Your touch becomes my everything
Dancin' 'til we disappear
To voices in the chandeliers
Holding tight to the monster right in front of me

I can't escape
I'm living with the ghost magnetic
Yeah all that I can hear them say
Is I'm the whisper of a dead aesthetic
Yeah all I need to take me home
Is somebody that could save my soul
But I never seem to find my way
From living with the ghost magnetic

We bring our souls in close
For a toast to the afterlife
We hold our breath, no regret,
Dead set on the dead inside

I'm baptized every time you say to me

I can't escape
I'm living with the ghost magnetic
Yeah all that I can hear them say
Is I'm the whisper of a dead aesthetic
Yeah all I need to take me home
Is somebody that could save my soul
But I never seem to find my way
From living with the ghost magnetic

I can't escape

I can't escape
