

# Light On

David Cook

Never really said too much  
Afraid it wouldn't be enough  
Just try to keep my spirits up  
When there's no point in grieving

Doesn't matter anyway  
Words can never make me stay  
Words will never take my place  
When you know I'm leaving

Try to leave a light on when I'm gone  
Something I rely on to get home  
One I can feel at night, a naked light  
A fire to keep me warm

Try to leave a light on when I'm gone  
Even in the daylight, shine on  
And when it's late at night you can look inside  
You won't feel so alone

You know we've been down that road  
What seems a thousand times before  
My back to a closing door  
And my eyes to the seasons

That roll out underneath my heels  
And you don't know how bad it feels  
To leave the only one  
That I have ever believed in

Try to leave a light on when I'm gone  
Something I rely on to get home  
One I can feel at night, a naked light  
A fire to keep me warm

Try to leave a light on when I'm gone  
Even in the daylight, shine on  
And when it's late at night you can look inside  
You won't feel so alone, ooh yeah!

Sometimes it feels like we've run out of luck  
When the signal keeps on breaking up  
When the wires cross in my brain  
You'll start my heart again when I come along, yeah

Try to leave a light on when I'm gone  
Something I rely on to get home  
One I can feel at night, a naked light  
A fire to keep me warm

Try to leave a light on when I'm gone  
Even in the daylight, shine on  
And when it's late at night you can look inside  
You won't feel so alone

Try to leave a light on when I'm gone  
Even in the daylight, shine on

And when it's late at night you can look inside  
You won't feel so alone
