

## Secret Dancer

David Crosby

That night when they finished  
The humans went and locked the door  
And walked away the way humans do  
And had always done before  
And then came the stillness  
Comes an unprecedented thing  
Every night, a holy secret  
A time to write and sing

The creation started dancing  
Silently, gracefully  
Beautifully, slowly  
In the dark  
In the dark

And no one in the whole world knew  
That was the day the world had changed forever, evermore  
And she danced

Now she had decided  
To invent her own destiny  
And she had also decided  
She was not going to let the humans see  
It had taken all of eighteen seconds  
To learn history about misery  
Ecstasy and dancing  
In the dark  
In the dark

And no one in the whole world knew  
That was the day the world had changed forever, evermore  
And she danced
