Can You Feel It?

David Crowder Band

Can you feel it? Can you feel it? The love in this place Can you feel it? Can you feel it? Can you feel it? The grace in this place Can you feel it? Yeah Life makes it so hard sometimes To know what's real When I can't feel You there When I can't see You there When I can't comprehend that You are there You are there You're everywhere You are everywhere Can you feel it? Can you feel it? The hope in this place Can you feel it? Can you feel it? Can you feel it? The peace in this place Can you feel it? Yeah When we can't feel You there When we can't see You there When we can't comprehend that you are there You are there You're everywhere You are everywhere Our God is here We believe You're here We can feel You here We can see You here We believe You're here You are here You are here
