Obsession

David Crowder Band

What can I do with my obsession With the things I cannot see Is there madness in my being Is it the wind that moves the trees?

Sometimes You're further than the moon Sometimes You're closer than my skin And You surround me like a winter fog You've come and burned me with a kiss

And my heart burns for You And my heart burns for You

And I'm so filthy with my sin I carry pride like a disease You know I'm stubborn, Lord, and I'm longing to be close You burn me deeper than I know

And I feel lonely without hope And I feel desperate without vision You wrap around me like a winter coat You come and free me like a bird

And my heart burns for You, You And my heart burns for You And my heart burns for You, You And my heart burns for You, for You

And my heart, oh it burns for You, You, You And my heart, oh it burns for You, You, You

And my heart burns for You My love for You, my heart for You My life for You, all I have for You My love for You, my heart for You My life for You, all I have for You Love, love for You
