

The Veil

David Crowder Band

This is a love
Deep in the soul
O when you love
O when you love
The veil is torn
Mystery pours
Down from above
Down from above

And yet we are under benediction
So there is grace

Hallelujah, we rejoice
What a Savior
What a King
Hallelujah, lift your voice
To our Savior
To our King

O please do stay
Where you remain
Do not fall
Do not fall
Something greater
Is on the way
Just hang on
Try to hang on
Try to hang on

The love of angels
Becomes a love anew
O heavenly light
Takes on a fair skin

What a Savior
What a King
