

# The Music of the Night

David Deyl

Night-time sharpens,  
heightens each sensation...  
Darkness stirs and  
wakes imagination...  
Silently the senses  
abandon their defenses...

Slowly, gently  
night unfurls its splendour...  
Grasp it, sense it -  
tremulous and tender...

Turn your face away  
from the garish light of day,  
turn your thoughts away  
from cold, unfeeling light -  
and listen to  
the music of the night...

Close your eyes  
and surrender to your  
darkest dreams!  
Purge your thoughts  
of the life  
you knew before!

Close your eyes,  
let your spirit  
start to soar!  
And you'll live  
as you've never  
lived before...

Floating, falling,  
sweet intoxication!  
Touch me, trust me,  
savour each sensation!  
Let the dream begin,  
let your darker side give in  
to the power of  
the music that I write -  
the power of  
the music of the night...

Open up your mind,  
Let your fantasies unwind  
You alone can make my song take flight -  
help me make the music of the night...
